

Dancing with God (Anonymous from the Internet)

When I meditated on the word 'GUIDANCE', I kept seeing 'dance' at the end of the word.

I remember reading that doing God's will is a lot like dancing.

When two people try to lead, nothing feels right.

The movement doesn't flow with the music,
and everything is quite uncomfortable and jerky.

When one person realizes that, and lets the other lead,
both bodies begin to flow with the music.

One gives gentle cues, perhaps a nudge to the back
or pressing lightly on one direction or another.

It's as if two become one body, moving beautifully.

The dance takes surrender, willingness, and attentiveness
from one person and gentle guidance and skill from the other.

My eyes drew back to the word 'GUIDANCE'.

When I saw 'G', I thought of God, followed by 'U' and 'I'.

God, U, and I dance.

As I lowered my head, I became willing to trust that

I would get guidance about my life.

Once again, I became willing to let God lead.

My prayer for you today is that God's blessings and mercies be upon you
on this day and every day.

May you abide in God as God abides in you.

Dance together with God, trusting God to lead and to guide you
through each season of your life.
